

Starter Fertilizer 12 Volt Pump Kit

12 Volt Kit Includes:

Pump Kit enclosure with mounting u-bolt, TeeJet strainer with screen, Digital 12-Volt pump control box with wiring and choice of 4, 5 or 7 GPM 12-Volt diaphragm pump, 3-Way valve with garden hose hookup for fresh water flush, and Manual throttling valve.

Optional Implement Switch Kit is also available. (216012)

Part#	Description / Pump	Price
PLPKIT-2088-4.0	4.0 GPM 12 Volt Pump Kit, Shurflo 2088-514-500	\$1,683.19
PLPKIT-5850-5.0	5.3 GPM 12 Volt Pump Kit, Remco 5537-2E1-63A	\$1,647.96
PLPKIT-7870-7.0	7.0 GPM 12 Volt Pump Kit, Remco 5538-2F1-94A	\$1,923.95
IMPLEMENT SWITCH		
*2014 KITS • Relay block and wiring built into the console, only the Implement switch is required. Metri-Pack wiring.		
*2013 KITS & OLDER • Relay block and correct wiring are sold separately, PLPKIT-SWITCH and TYR-004-1250 are required. Weather-Pack wiring.		
216012	Remote Implement Switch (Replaces 063-0172-037)	\$520.30

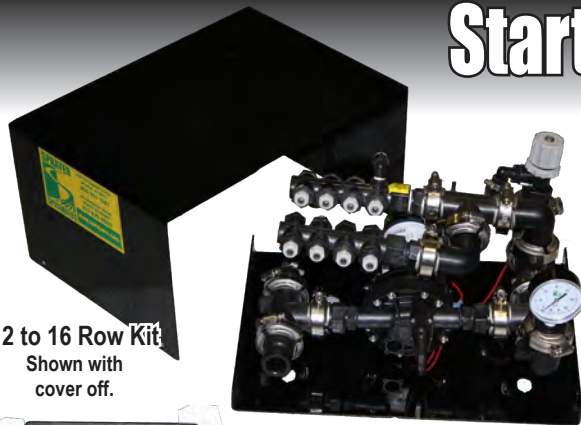

12 Volt Pump Controller

Digital Pump Controller w/10' Battery Cable, 15' Motor Cable & 15' Motor Extension Cable. All Cable is Metri-Pack

Starter Fertilizer 12 Volt Pump Kit

12 to 16 Row Kit
Shown with cover off.

12 Volt Pump Controller

Digital Pump Controller w/ 10' Battery Cable, 15' Motor Cable & 15' Motor Extension Cable.

Quick TeeJet No-Drip Nozzle Body

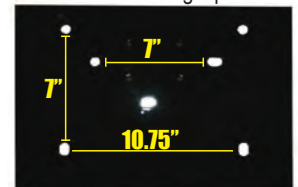

Quick TeeJet Bodies w/ 2lb Diaphragm used for in-line check valve. Inlet & Outlet fittings are 1/4" OD tubing John Guest Fittings.

IMPORTANT!

Standard 12 Volt Pump Packages are designed for 3.5 Gallon Per Minute (or less) Applications.
Total Flow Rate: See Page 83 for Orifice Charts.

12 Volt Kit Includes: 8 or 16 Row Manifold with plugs for 4, 6, 12 or 16 Rows, Remco 5.3 GPM Pump, Pump Controller, 1 Set of Orifices (If size is not specified, #41 will be sent), TeeJet Diaphragm Check Valves, 30' of 1/4" Gauge Tubing for run to Controller, **Less 1/4"** Tubing for runs from manifold to rows.

Various Mounting Options

Purchase Separately:

- Row Tubing, recommend equal lengths for each row
- Row Pipes
- Optional Remote Implement Switch Kit

Part#	Description / Pump	Price
PLPUMPKIT4-8	5.3 GPM 12 Volt Pump Kit, 4 to 8 Row Manifold	\$2,277.64
PLPUMPKIT12-16	5.3 GPM 12 Volt Pump Kit, 12 to 16 Row Manifold	\$2,655.13
IMPLEMENT SWITCH		
*2014 KITS • Relay block and wiring built into the console, only the Implement switch is required. Metri-Pack wiring.		
*2013 KITS & OLDER • Relay block and correct wiring are sold separately, PLPKIT-SWITCH and TYR-004-1250 are required. Weather-Pack wiring.		
216012	Remote Implement Switch Kit (Replaces 063-0172-037)	\$520.30
14TBG	1/4" O.D. Poly Tubing	\$.85 /ft

Starter Fertilizer Automatic Rate Controller Kit

01184

Shown with Remco Fatboy Pump on Mounting Plate

01188

Shown with Remco 5.3GPM Pump on Mounting Plate

Kits include the below features, Unassembled, **LESS PUMP & SPEED SENSOR:**

- SprayMate II Console, Main Harness, Installation Hardware & Instructions.
- Flowmeter - FM500 (1/2" FPT, .5-50 GPM) or FM750LF (3/4" FPT, .5-12GPM)
- 1" Servo Valve or 40-Amp Electric Motor Drive
- **Powder-Coated Steel mounting plate and cover & necessary plumbing**

The following items are not in the kit, but must be added to complete kit:

- 12 Volt Pump, 5 or 7 GPM (See Page 292-295 for additional pumps)
- Speed Sensor (If not using an existing radar or speed sensor)

STARTER FERTILIZER AUTOMATIC RATE CONTROLLER KITS

Part#	Description	Price
01184	SprayMate II Starter Fertilizer Rate Controller w/ FM500 Flowmeter, 1" Servo Valve	\$2,925.11
01192	SprayMate II Starter Fertilizer Rate Controller w/ FM750 LF GFN Flowmeter, 1" Servo Valve	\$3,048.53
01188	SprayMate II Starter Fertilizer Rate Controller w/ FM500 Flowmeter, 40-Amp EMD	\$3,076.13
01196	SprayMate II Starter Fertilizer Rate Controller w/ FM750 LF GFN Flowmeter, 40-AMP EMD	\$3,197.85

12 Volt Pumps

5537-1E1-82B	Remco 5.3GPM 12 Volt Pump-Demand	\$322.50
5537-2E1-63A	Remco 5.3GPM 12 Volt Pump-Bypass	\$339.70
5538-1E1-94A	Remco Fatboy 7GPM 12 Volt Pump-Demand	\$609.60
5538-2F1-94A	Remco Fatboy 7GPM 12 Volt Pump-Bypass	\$609.60

Speed Options

01410	Astrol GPS Speed Sensor	\$558.89
01526	Vansco Radar Speed Sensor	\$1,372.21

Starter Fertilizer Run Kits

MANIFOLD SETS

Include: Schedule 80 PVC Pipe, Quick TeeJet Dripleless Bodies, One Set of Orifices, Quick TeeJet Caps, 1/4" Compression Connectors, Tubing Mounts, etc.

Part#	Description	Price
PLR-4R	4 Row Kit	\$237.43
