NORWESCO Elliptical Leg Tanks

The elliptical tank style is designed to provide the greatest capacity with the lowest center of gravity, making it the best design available for transporting larger volumes. Norwesco elliptical tanks feature molded-in legs that act as "baffles" to reduce sloshing and provide increased stability during transport. ALL Norwesco elliptical leg tanks require full length bottom support as well as support bands.

TANK BANDS ARE REQUIRED FOR ALL TANKS FOR WARRANTY TO BE VALID!

Norwesco bands are custom fabricated to support the Norwesco tanks and are galvanized for added corrosion protection. Whether using the tank in a stationary position or for transport, bands are required for the **Warranty to be valid.**

*Neither Sprayer Specialties, Inc. nor the tank manufacturer(s) accept responsibility for lost or damaged product due to the failure of any of the tank(s), tank fitting(s), tank valve(s) or the installation of the for mentioned items.

NORWESCO Round Leg Tanks

Premium Grade Tanks are White Only!

Heavy Duty Tanks are Blue Only!

With the broadest leg tank line available, Norwesco manufactures a size that will fit your needs. Used primarily for transport and nursing applications, Norwesco's leg tanks feature molded-in legs that act as "baffles" to reduce sloshing. When pricing leg tanks be sure to add the price of tie downs.

Tie downs are required for 725 gallon tanks and larger for warranty to be valid.
